

# Travel Information

*(Including Arrival and Departure Guidelines)*

**Students traveling to Hungary by plane:** You will fly into the Budapest International Airport (BUD), which is located on the southeast edge of Budapest, approximately 45 minutes from the Word of Life Hungary property. We will arrange transportation for you from the airport with one of our ministry vehicles. The charge for this pickup is 5,000 HUF (approximately \$25). This cost is shared by all those we pick up, so we will try to consolidate trips to the airport to reduce both travel and costs. This may mean you will need to wait just a bit at the airport for other students to arrive, so we can take you all to the school at once. We will be in communication with you beforehand about what to expect.

**Students traveling to Hungary by car, train or bus:** Please contact us for directions to our property or to arrange to be picked up at the bus/train station.

**Arrival:** If you are flying from North America or the Far East you should plan on arriving **no later than two days prior to registration day** (in the Fall) or the resumption of classes after the Winter and Spring breaks, in order to recover from jet-lag. Please see the school calendar for the exact arrival dates.

**Departure:** During the weeks prior to the Winter, Spring, and Summer breaks, finals are given on Friday morning. Students should plan to leave school *no earlier* than 4pm on Friday and at the *latest*, Sunday evening. Students are not permitted to stay on campus during Christmas Break.

**As soon as you know your travel information for September, please let us know by e-mailing the Admissions Coordinator ([admissions@eletszava.org](mailto:admissions@eletszava.org)). We will make arrangements to pick you up at the airport or train station.**
